Profile

I am a dedicated Software and digital marketing student who continuously pursues excellence in every endeavor. With a strong passion for merging theoretical knowledge with practical applications, I strive to innovate and create efficient solutions. My commitment to excellence is complemented by well-honed interpersonal skills, enabling effective collaboration and communication within diverse teams. I eagerly embrace challenges and opportunities, always seeking to contribute my best to any project I undertake.

Work Experiance

2024
Colornoid l 2735 Wyntercrest Lane, Durham, NC
Web Developer (Part Time)
Worked on designing and developing engaging websites, focusing on creating user-friendly interfaces and implementing responsive designs to enhance user experience and meet client objectives.

2023 - 2024
Effective Solutions l TRACE Expert City Maradana
Software Engineering Intern

As an intern, I gained hands-on experience in web development using React.js to create dynamic and user-friendly interfaces. I also contributed to deploying applications on cloud hosting platforms, ensuring their scalability and reliability, while collaborating with the team to deliver efficient and client-focused solutions.

2022 - 2023
Lavish Unisex Saloon , Kiribathgoda
Social Media Manager (Part Time)

Managed social media accounts, created content, and boosted online engagement to enhance the saloon's brand presence.
